- ★ Daily Music & Movement Activities
- ★ Yoga-infused Routines
- ★ Exclusive Special Events for Little Utopia Families at The Pickled Paintbrush!

## Multi-Age Program

Ages 2-4

Our preschool is designed to encourage creativity and imagination through play and exploration. Our class nurtures children's natural instincts to explore, learn through play, and grow through sensory processes. Our child-centric approaches are inspired by discovery and hands-on experiences.

By offering a multi-age class, we are able to better diversify skills and development levels based on individual needs versus a number. It also provides students an opportunity to build leadership skills, empathy, and confidence! Students ages 3-4 meet 30 minutes prior to 2's for an extended enrichment group.

The teachers will be guided by our children's interests, curiosities, and personalities, to create a truly unique and harmonious environment. Little Utopia will integrate beginning literacy and mathematical education through purposeful guided play and investigation.

Each day your little one will be immersed in process-based art projects that provide sensory experiences. Children will have opportunities to use various art mediums, play with friends, and build a sense of belonging within our Little Utopia community!

Please note, we are unable to change diapers due to NYS regulations. We will keep an extra set of clothes for your child in case of emergency. Please contact us for more details.

### Age 2 - Class Options

Tuesday AM 9:30-11:30

Thursday AM 9:30-11:30

### Annual Tuition
